# **COLORS**

Colors, colors, all around  
Oh, the colors to be found  
Red, orange, yellow, black,  
Brown, green and blue  
And, yes, purple is a color too

Red and green for stop and go  
How many colors do you know?  
Red, orange, yellow, black,  
Brown, green and blue  
And, yes, purple is a color too

Come on now, look around  
Tell some colors you have found  
Red, orange, yellow, black,  
Brown, green and blue  
And, yes, purple is a color too

## **Much to Do**

There is much to do  
Each and every day  
There is time for work  
There is time for play

I go to school  
And I go to the park  
I better be home  
Before its dark

I go on a picnic  
And I go to the zoo  
I look at the bears  
And the lions too

I try to help  
When there's work to do  
I feed my dog  
And my kittens too

I save my money  
Put my toys away  
I say hello  
And have a good day

There is much to do  
Each and every day  
There is time for work  
There is time for play

# **Animals**

How many animals  
Could there be?  
So many animals  
For us to see

There are rabbits, foxes, horses too  
Goats and turtles  
Just to name a few

How many animals  
Could there be?  
So many animals  
For us to see

There are bears, birds, kittens too  
Cows and chickens,  
Just to name a few

Oh, cats, dogs, mice and bats  
Oh yes, and even rats!

How many animals  
Could there be?  
So many animals  
For us to see

# **By the Beach**

Oh, by the beach  
Water all around  
Here's what I saw  
Here's what I found

A fish, a shell  
A boat with a sail  
A ship, a chest  
A big gray whale

Oh, this and that  
Where and when  
Thick and thin

Here we go again

# It's a Fact

Oh, it's a fact  
You should know  
A fox runs fast  
The turtle is slow

Morning lasts 'til noon  
An elf is small  
Summer comes first, then fall

Oh, it's a fact  
You should know  
A fox runs fast  
The turtle is slow

Sheep have soft coats  
Peanuts grow in the ground  
Bee's wings make a buzzing sound

A tree is a plant  
A lamp gives light  
The sun goes away at night

We find corn in a husk  
And a whale in the sea  
A branch is part of a tree

A small lake is a pond  
Ice melts in the sun  
A hot dog goes in a bun

Oh, it's a fact  
You should know  
A fox runs fast  
The turtle is slow

# What Would We Do?

What would we do, if?  
Ice cream were free  
There were steps to the sky  
Lemons were sweet  
And a hat could fly

There were no clocks  
The wind didn't blow  
Every game had a prize  
And snails were not slow

All balloons were green  
We could play in the rain  
Tops didn't spin  
A window had no pane

Giants were small  
Roads were made of glue  
Each frog had a dress  
And brown bears were blue  
What would we do?  
Oh, what would we do?

## **Sing These Words**

Sing, sing along  
Sing these words  
Sing them if you can

fan, man, tan  
hat and sat  
pup and cup

big, fig, dig  
tin and win  
run and fun

Sing them if you can  
hot, not, lot  
box and fox  
rub and tub

hen, men, ten  
jet and yet  
gum and hum

Sing them if you can

## **Ready, Get Set**

Ready, get set, let's go

Here are some words

That we should know

can - cane

tap - tape

cap and cape

cut - cute

cub - cube

us and use

hid - hide

pin - pine

rod - rode

not and note

One more time
